Honorable Board of Supervisors
County of Riverside
County Administrative Center
4080 Lemon Street, 5th Floor
Riverside, CA 92501-3651

SUBJECT: Fiscal Year 20/21 First Quarter Budget Report

Board members:

As we close out the first quarter of FY 20/21, I would like to express my sincere thanks to all of our departments and county leadership for their commitment in managing through an exceptional period in our history, the last nine months of COVID-19. The county team has stepped up to meet the challenges in a variety of different ways to serve the public.

On September 15, the Adopted Budget was approved with an estimated net operating deficit of \$62 million. This initial projection assumed beginning reserves of \$284 million and year-end reserves of \$222 million.

At first quarter, there is normally minimal budget movement, however with continued uncertainty due to the pandemic, there are now several adjustments necessary to align updated information regarding projected revenues and expenditures.

The close out of FY 19/20 year-end resulted in a Net County Cost (NCC) of \$868 million against discretionary revenues of \$860 million. Reserves ended with a balance of \$259 million compared to the projected balance of \$284 million. This is mostly attributed to fewer COVID-19 related general fund expenses compared to \$70 million that was originally projected. See Attachment D, FY 19/20 General Fund/NCC Validation Report.

In FY 19/20, the county expended and received a \$72 million reimbursement through the CARES Act for eligible COVID-19 costs. From the \$72 million, \$36 million was reimbursement to the general fund departments, the remaining balance went to non-general fund departments with the majority of the funding to the RUHS Medical Center and RUHS Clinics. Expenses include but are not limited to; all COVID-19 related labor, medical supplies, medical equipment, contact tracing, temporary public testing facilities, modified medical/clinical treatment facilities, teleworking, workplace modifications, social distancing, disinfection, meals distribution and non-congregate sheltering.

The updated FY 20/21 first quarter discretionary revenue projection is \$868 million with NCC at \$908 million, taking into account the budget recommendations in this report. This results in a projected net operating deficit of \$40 million, reducing reserves to \$218 million, \$1 million above Board policy.

The difference in the projection of the net operating deficit is due to several factors. One

such factor is an increase of \$12 million in discretionary revenue, mostly attributable to an increase of \$4 million in AB233 Court Realignment funding and various other fines and penalties, as summarized on page 3. Additionally, supplemental property tax assumptions are coming in higher due to full implementation of the new property tax system. Other notable increases are documentary transfer tax, despite the COVID-19 pandemic, as the County Assessor reports an increase in document processing.

Overall, revenues are trending better than previously anticipated, although uncertainty remains due to COVID-19. A recent forecast from HdL Companies, cites continued economic impacts through the end of calendar year 2020 with only a mild return of consumer confidence in 2021.

Also, as reported by HdL, Prop. 172 public safety sales tax revenue projections have increased back up to \$190 million, which matches the amount received in FY 19/20. As a result of the increase, there is no need to backfill the \$11 million projected shortfall for the public safety departments budgeted portion of the Prop. 172 revenue, therefore reducing NCC by a corresponding \$11 million.

This report also includes several adjustments necessary to align department budgets that will not have an impact on the general fund as most departments will use reserves to balance these costs. The only adjustment that will affect NCC is an adjustment for the Riverside County Fair and Date Festival, which as a result of the pandemic has a revenue shortfall to pay operating costs and continued maintenance on the property. This adjustment of \$1.6 million will reduce the contingency budget from \$20 million to \$18.4 million.

The Department of Public Social Services (DPSS) reports the General Assistance (GA) program has seen a decline in caseloads. Due to the success of the CARES Act funded programs, Project Roomkey and Homekey which provide housing solutions to those affected by COVID-19, the demand for general fund assistance is reduced. With the shift in GA caseloads the department is projecting a need of \$500,000 by year-end, which was predicted to be \$5 million early on in the budget process. The department will monitor caseload against the need for NCC and will provide updates throughout the year.

The District Attorney, Probation, Public Defender and Sheriff are projecting the allocations given to them during budget hearings will result in balanced budgets at year-end. They all continue to work with the Executive Office to monitor and report any issues that may arise.

Looking ahead to FY 20/21 mid-year, projected year-end reserves of \$218 million may be impacted by additional COVID-19 healthcare related expenses after CARES Act funding ceases in December 2020. This assumes that no additional federal or state resources become available from any additional stimulus packages.

As stated in this report, Public Health projects costs extending past December 2020 to June 2021 totaling approximately \$30 million. It is anticipated that the other healthcare departments will have costs related to the extended pandemic as well. Executive management is working with the healthcare departments to refine the projections and look for ways to scale those costs back.

The Executive Office is continually monitoring the revenue trends and the potential impacts of the current pandemic. A more detailed analysis will follow in December with updated recommendations.

Another effort the County has recently completed is the 2020 Census count. Due to impacts of the virus, the United States Census Bureau shifted the Census timeline, which extended the data collection operation through the first quarter of this fiscal year and officially ended on October 15. The county collaborated with universities, and community-based organizations to count as many residents as possible. This process is vital as our funding allocations from state and federal agencies, as well as our legislative representation, are derived from Census data.

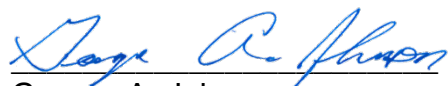

Now that the 2020 Census count is complete, the county will go through a redistricting process to ensure each supervisorial district has an equal number of residents. The redistricting process will include community meetings, public forums, and input from an advisory committee to uphold the requirements outlined in the California Elections Code, the California Constitution, the Federal Voting Rights Act of 1965, and the United States Constitution.

Lastly, this will be the final quarterly report I will present as County Executive Officer due to my pending retirement next month. It has truly been an honor to serve this great county for the last thirty years, with the culmination being your CEO. I am very proud of the outstanding work being accomplished across our county organization to improve the health, safety, and economic well-being of our residents, businesses, and communities that call Riverside County home. There is a true sense of community that exists within the County of Riverside and our county departments are committed to providing the highest level of public service. It has been a privilege to work with such caring and compassionate county employees that are dedicated to improving individual lives and the overall quality of life in Riverside County through efficient and effective county government. I am confident the Riverside County Team is well prepared and positioned to lead Riverside County toward future success in the years to come.

IT IS RECOMMENDED that the Board of Supervisors:

Receive and file the FY 20/21 First Quarter Budget Report.

Respectfully,

George A. Johnson
County Executive Officer

ATTACHMENT C BUDGET SCHEDULE
ATTACHMENT D FY 19/20 GENERAL FUND/NCC VALIDATION REPORT

BUDGET OUTLOOK

Discretionary Revenue Projections

Overall, projected discretionary revenue estimates are up \$11.8 million from adopted budget projections. Highlights of the county's key general-purpose revenues are noted below.

In the budget, the Executive Office presented an updated long-term outlook on general-purpose revenue that was moderately cautious in the out-years. The Executive Office continues to model a long-term outlook with a more graduated approach, cooling the growth rate of key revenues. Barring unforeseeable events, we continue to anticipate a blended growth rate around 4 percent for the next few years.

General Fund Projected Discretionary Revenue (in millions)			
	Budget Estimate	Current Quarter Estimate	Variance
Property Taxes	\$414.4	\$417.3	\$2.9
Motor Vehicle In Lieu	287.1	287.4	0.3
RDA Residual Assets	13.0	13.3	0.3
Tax Loss Reserve Overflow	16.0	18.0	2.0
Fines and Penalties	10.3	15.7	5.4
Sales & Use Taxes	29.4	29.2	(0.2)
Tobacco Tax	11.5	11.5	-
Documentary Transfer Tax	15.0	17.5	2.5
Franchise Fees	6.9	6.9	-
Mitigation Fees	0.1	0.0	(0.1)
Interest Earnings	4.0	4.0	-
Misc. Federal and State	4.5	5.0	0.5
Federal In-Lieu	3.6	3.6	-
Rebates & Refunds	5.5	6.7	1.2
Other (Prior Year & Misc.)	17.5	21.9	4.4
Operating Transfers In	16.9	9.5	(7.4)
Total	\$855.7	\$867.5	\$11.8
Prop. 172 Public Safety Sales Tax	179.0	190.0	11.0
	\$1,034.8	\$1,057.5	\$22.8

Budget Outlook

Property Taxes

Property tax revenue and motor vehicle fee revenue received in-lieu of property taxes, were both budgeted based on 5.83 percent growth in assessed values. First quarter projections assume an increase in supplemental property tax collection now that the property tax system is fully implemented.

Property Taxes & Motor Vehicle In-lieu

Sales and Use Taxes

In the first quarter, the county's current sales and use tax projection has slightly decreased from the adopted budget projections. The forecast considers continued economic impacts through the end of calendar year 2020 with only a mild return into 2021. Anticipated growth expected in FY 21/22 has more to do with a continued return of consumers from the initial COVID-19 economic shutdown period and sustained growth in countywide sales and use tax pool allocations as online shopping remains strong.

Sales & Use Tax Revenue

Prop. 172 Public Safety Sales Tax

The county's Prop. 172 public safety sales tax revenue is affected both by changes in the overall statewide pool of revenue as well as changes in the county's pro rata share of that pool relative to other participants. As of first quarter, HdL Companies is projecting FY 20/21 ending revenue to be \$190 million an increase of \$11 million from the adopted budget projections. The increase was due to the pro rata factor increasing by 0.679 percent.

Prop 172 Revenue Trend

Interest Earnings

The Treasurer’s estimate for FY 20/21 County General Fund (GF) interest earnings remains at \$4 million. The estimate update incorporates first quarter interest earnings results. It also includes factors such as projected GF balances in the Treasurer’s Pooled Investment Fund (TPIF), as well as current and projected levels of interest rates.

Historic levels of monetary and fiscal stimulus enacted in response to the COVID-19 pandemic has stabilized interest rates at near zero. As previously mentioned, the Federal Open Market Committee (FOMC) cut the target federal funds rate range from 1.50 percent - 1.75 percent to 0.00 percent - 0.25 percent in March 2020. They then injected over \$3 trillion dollars into the U.S. economy in the form of various asset purchase programs.

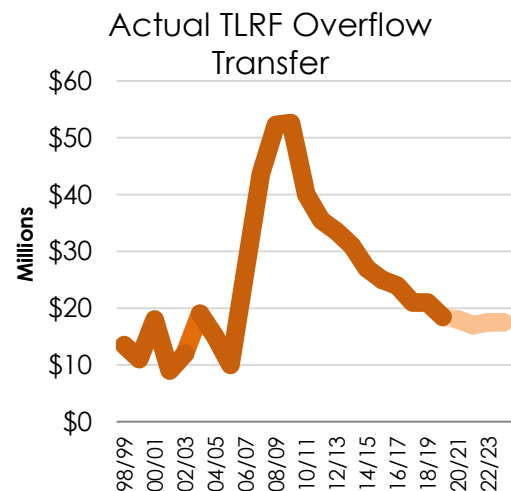

The message markets received from the FOMC in August and September was that rates would remain low for a longer period. The message was first delivered by FED Chair Powell when he announced a change to the Statement on Longer-Run Goals and Monetary Policy Strategy at the annual gathering of central bankers in Jackson Hole, Wyoming. The FED is now more willing to accept some inflation to support stronger job creation. At the September 16th FOMC meeting, they indicated there is no expected change in the fed funds rate range through 2023.

With interest rates anchored at zero, the TPIF’s earnings rate will gravitate lower with time. However, GF balances offer a few signs of hope. While the full impact of COVID-19 on GF balances in FY 20/21 remains uncertain, property tax and state transfer receipts offered some optimism as real estate and equity prices have made a significant recovery from earlier this calendar year.

While the TPIF’s interest earnings rate continues to move lower, earnings estimate for FY 20/21 remain unchanged due to the weighted average maturity profile of the TPIF and GF balances. The Treasurer-Tax Collector will closely monitor earnings estimates and will provide updates to the Executive Office budget staff if there are any material changes.

Teeter Tax Losses Reserve Fund (TLRF) Overflow

Under the California Teeter plan, the county advances to participating agencies property tax allocations based on enrolled assessed valuation. In return, the county retains the actual taxes received, plus penalties and interest on delinquent taxes. The TLRF captures revenues and expenditures associated with the program. Revenue exceeding financing costs and the necessary tax loss reserve is discretionary revenue released to the general fund annually. The annual release is in accordance with the revenue and taxation code, and consistent with prudent risk management. The TLRF revenue came in higher at \$18.4 million compared to \$16 million that was budgeted in FY 19/20, hence the projection for FY 20/21 has been

Budget Outlook

increased to \$18 million to reflect the higher trend.

Long-Range Budget Schedule

Following are key dates, which remain subject to change as necessary and appropriate:

- **January 25, 2021** - FY 21/22 Recommended Budget kickoff with departments
- **June 14 thru June 15, 2021 (as necessary)** - Presentation of the FY 21/22 Recommended Budget, opening of budget hearings, and approval of the budget; and,

These dates have been coordinated to work with the Board's approved 2021 meeting calendar.

CURRENT BUDGET STATUS

APPROPRIATIONS FOR CONTINGENCY

Contingency covers urgent, unforeseeable events such as revenue shortfalls, unanticipated expenditures, uncorrectable budget overruns and mission-critical issues at the Board’s discretion. The adopted budget appropriated \$20.0 million for contingency. This report contains a decrease of \$1.6 million at this time, for a total net decrease to date of \$1.6 million, taking the contingency level to \$18.4 million, as summarized in the table below.

Use of General Fund Appropriations for Contingency					
		Cost Adjustment	Replenishment	Total Adjustment	Balance Available
Recommended/Adopted Budget Balance:					\$ 20,000,000
Adjustments to date:					
9/29/2020	Auditor Controller - Cash over/shortage	541		(541)	
		541	-	(541)	
Balance to date:					19,999,459
Actions recommended in this report:					
Q1 Rec. 1	Fair and Date Festival Revenue Loss	1,605,000		(1,605,000)	
	Total adjustments to Contingency =	1,605,541	-	(1,605,541)	
Contingency balance upon approval of this report =					18,394,459

Current Status

All budget adjustment recommendations will be shown in attachment A and all position requests will be shown in attachment B, both following the department summaries.

BUSINESS DEVELOPMENT AND COMMUNITY SERVICES

Business and Community Services

During the FY 20/21 budget hearings, the Board of Supervisors directed the Executive Office to reduce vacant positions. During this process, two filled positions were erroneously eliminated from the Agency Administration budget. A correction of this error was processed to restore the filled positions, however, the funding for these positions was not restored resulting in insufficient appropriations. Therefore, the department is requesting a budget adjustment to increase appropriations to restore the funding. Business and Community Services is also requesting three new positions. A Deputy Director transfer from the CSA budget, and an Administrative Services Manager II and a Secretary II for promotional opportunities.

Recommendation 1: *That the Board of Supervisors 1) approve and direct the Auditor-Controller to make the budget adjustment increasing appropriations and estimated revenues in the Business and Community Agency Administration by \$812,024; and 2) approve amending Ordinance No. 440 to add three positions for Business and Community Services Agency Administration.*

On October 6, 2020, the Board of Supervisors approved to allocate CARES Act funding for the purposes of the creation of the Riverside County Tourism Recovery Campaign, the County's Business Ambassador Program, and the Small Business Assistance Grant Program. This budget adjustment is necessary to be able to fund the Small Business Assistance Grant Program from CARES Act funding.

Recommendation 2: *That the Board of Supervisors 1) approve and direct the Auditor-Controller to make the budget adjustment increasing appropriations and estimated revenues in the Business Services by \$5,175,000.*

County Free Library

With the restructuring of the Economic Development Agency resulting in the creation of the new Business and Community Services department, staffing previously dedicated to the Library oversight were reassigned to include additional workloads and responsibilities for the entire department leaving the need for an additional manager to assist and focus on the Library divisions. The Library division requests the addition of a Principal Development Specialist position to the County Free Library fund. A budget adjustment is necessary to cover this position, as well as to cover utility expenses previously reimbursed to Facilities Management's Energy Cap division, and other expenditures associated with the library projects in the Menifee, French Valley, and Desert Hot Springs branches.

Recommendation 3: *That the Board of Supervisors 1) approve and direct the Auditor-Controller to make the budget adjustment increasing appropriations by \$3,574,406; and 2) approve amending Ordinance No. 440 to add one Principal Development Specialist.*

County Service Area

Under the new structure of the Business and Community Services department, staff that were dedicated to the CSA oversight were reassigned to include additional workloads and responsibilities for the entire department leaving the need for an additional supervisor to assist and focus on the County Service Area(CSA) divisions. The CSA division requests the addition of a Supervising Development Specialist position to the CSA 152 NPDES fund. This position will be funded within the current CSA budget using salary savings from difficult to recruit positions that remain vacant. No budget adjustment will be necessary for this addition.

Recommendation 4: *That the Board of Supervisors approve amending Ordinance No. 440 to add one Supervising Development Specialist.*

Fair and Date Festival

The Fair and National Date Festival division will postpone the 2021 fair to ensure safety of the community during the COVID-19 pandemic. The fair fund will require a budget adjustment decreasing event related revenue and all appropriations for salaries, operations, and inter-fund transfers that are related to the fair event. Due to the loss of fair revenues, the division is requesting general fund contributions of \$1,605,000 to cover the revenue deficiencies and to continue appropriate maintenance levels to the fairgrounds.

Recommendation 5: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustments adjusting appropriations and estimated revenue for the Fair and National Date by \$1,836,098, and decreasing appropriations for Appropriation for Contingency and increasing appropriations for Contributions to Other Funds by \$1,605,000.*

FINANCE & GOVERNMENT SERVICES

Board of Supervisors

On February 11, 2020 the Riverside County Board of Supervisors ratified and approved an amount up to \$150,000 annually for two years to pay the fees and expenses of the court ordered monitoring by experts associated with the Quinton Gray case. The budget adjustment requested is to appropriate the funding for FY20/21 expenditures using committed fund balance set aside for legal liabilities.

Recommendation 6: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustments increasing appropriations and decreasing committed fund balance for the Board of Supervisors and increasing appropriation and estimated revenue for the Executive Office by \$150,000.*

The Board of Supervisors is requesting a budget adjustment of \$10,000 to cover the cost of microfilm/microfiche equipment for the Clerk of the Board.

Recommendation 7: *That the Board of Supervisors approve and direct the Auditor-Controller to make budget adjustment adjusting appropriations for the Board of Supervisors by \$10,000.*

Current Status

Executive Office

The Countywide Oversight Board members have a fiduciary responsibility to holders of enforceable obligations and taxing entities. On September 17, 2020, the board members approved the budget for the Countywide Oversight Board. A budget adjustment is needed to align budgeted amounts to the revised approved budget.

Recommendation 8: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustment adjusting appropriations and estimated revenue for the Executive Office County Oversight Board Reimbursement Fund by \$90,000.*

Pursuant to the bond covenants, when lease revenue bonds mature, the Trustee transfers the management of the lease and the remaining payment responsibilities to the county. In order to track the transactions of the county's matured financings, a new department Id was es-tablished. A budget adjustment is needed to establish the budget for the collection of lease revenue and maintenance costs of the building.

Recommendation 9: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustment increasing appropriations and estimated revenue for the Matured Financing department by \$921,331.*

Executive Office Sub-Fund

In review of first quarter projections, it was determined that during the budget process \$2.5 million was appropriated under the general fund when it should have been in the CIP sub-fund. A budget adjustment is necessary to correctly align expected appropriations and revenues within the sub-fund.

Recommendation 10: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustment adjusting appropriations in the Executive Office Department by \$2,500,000.*

Executive Office – Capital Finance Administration

The Capital Finance Administration budget unit serves as a pass-through to pay annual lease payments for various financings of the county. In order to comply to certain accounting and reporting standards, this budget needs to be transferred to individual financings debt service funds. The Capital Finance Administration requests budget adjustments to establish the appropriations necessary to complete the financial activities related to the financings in the individual funds.

Recommendation 11: *That the Board of Supervisors approves and directs the Auditor-Controller to make the budget adjustments increasing appropriations and estimated revenue for the CORAL, the Riverside County Public Financing Authority, and the Riverside County Infrastructure Financing Authority for the total amount of \$92,500,887.*

Debt Service

On September 22, 2020, the Board of Supervisors approved the issuance of the FY 20/21 Series A Teeter Obligation Notes as part of the ongoing program that has been in place

since 1997. During the budget process, the amount budgeted for interest on the notes was estimated based on current market rates at that time. At first quarter, the final interest that is transferred from the Tax Losses Revenue fund to the Teeter debt service fund has been determined. A budget adjustment is needed to increase estimated revenue and appropriations for the interest on the notes.

Recommendation 12: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustments increasing appropriations and estimated revenue for Executive Office Departments by \$1,156,542.*

Treasurer-Tax Collector

An encumbrance for \$95,703 was submitted to the Auditor-Controller as part of the year-end schedule process and was inadvertently omitted at that time and the funds rolled into the general fund. The Treasurer-Tax Collector is requesting that the encumbrance be processed now as a budget adjustment to recapture those funds. The funds are needed to redesign a portion of the fourth floor Treasurer-Tax Collector's office to add three offices in a space formerly occupied by cubicles. The office redesign is in line with the reorganization of the department.

Recommendation 13: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustment increasing appropriations for the Treasurer-Tax Collector by \$95,703.*

HOUSING, HOMELESSNESS AND WORKFORCE

Community Action Partnership

On November 3, 2020 the department presented a Form 11 to the Board to accept Federal CARES Act Funding and to ask for approval to allocate the funding to the following programs: Energy, Cool & Warm Centers, Mediation, Asset Building, and Youth Programs. A budget adjustment was not included in the Form 11 due to deadline constraints therefore the department is now requesting a budget adjustment.

Recommendation 14: *That the Board of Supervisors approve and direct the Auditor-Controller to make budget adjustment increasing appropriations and estimated revenues for the Department of Community Action Community Services Block Grant division by \$1,817,891.*

HUMAN RESOURCES

Human Resources

During the budget process, a portion of the personnel budget for the Temporary Assignment Program (TAP) was established within the general fund 10000 rather than the TAP Fund 47000. In order to align budget with actual expenditures, the appropriations for TAP within the general fund should be moved to the TAP fund.

Recommendation 15: *That the Board of Supervisors approve and direct the Auditor-*

Current Status

Controller to make the budget adjustment adjusting appropriations for Human Resources by \$100,602.

Rideshare

During the budget process, the personnel budget for the Rideshare program was intended to be reduced from two funded positions to one. However, the entire personnel budget was removed in error. The budget needs to be restored with the use of net assets, to fund the one filled position.

Recommendation 16: *That the Board of Supervisors approve and direct the Auditor-Controller to make budget adjustments increasing appropriations of the Rideshare Fund by \$102,039.*

During the budget process, ISF cost for the Rideshare were budgeted under general fund instead of the correct fund for Rideshare. This budget adjustment is to correct the fund number for the ISF costs.

Recommendation 17: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustment adjusting appropriations for the HR-Air Quality Division by \$21.*

HUMAN SERVICES

Department of Public Social Services

The Department of Public Social Services (DPSS) is not projecting any significant budget impacts at this time and is committed to working with the Board of Supervisors, and the Executive Office, to identify and monitor any fiscal issues as early as possible. During this challenging time, the department will continue to look for opportunities to improve and refine operations to meet an ever-growing public need.

Overall caseloads are up for most major programs with year-to-year caseload growth figures for the twelve months ending in August 2020 reflecting:

CalWORKs -6%	Adoptions -1%
Welfare to Work (WTW) -8%	Foster Care +12%
Medi-Cal +3%	Adult Protective Services (APS) +3%
CalFresh +14%	In-Home Support Services (IHSS) +5%
Child Welfare Services (CWS) +4%	

The department is aggressively recruiting, to fill critical vacancies, and is utilizing overtime to mitigate workload associated with continuing high caseload levels, high attrition, and hard to fill positions. Overtime is down 25 percent, when compared to last year at this time.

The department experienced a slight decrease in the CalWORKs program caseload during the first quarter of the current fiscal year while both the CalFresh (CF) and Medi-Cal (MC) programs experienced an increase of 9.2 percent and 6.6 percent which is believed

to be directly related to the COVID-19 pandemic. The department continues to monitor the impacts of state policy, or funding changes, anticipated to be effective for this year related to the Able-Bodied Adults Without Dependents (ABAWD), Stage One Child Care, and Housing Support Program (HSP) programs and will continue to keep the Executive Office updated regarding outcomes.

During the first quarter, the General Assistance (GA) program had an average caseload of 2,024. This decrease is believed to be directly attributed to alternative services available to customers affected by the COVID-19 pandemic (e.g., Project Room key). However, the department anticipates GA program services increasing to projected caseload levels once funding for those alternative services are depleted or the programs officially end during this year. The department is currently projecting \$550,000 net county cost (NCC) need in GA client benefit costs, a reduction from their submittal with the FY 20/21 budget. In addition, preliminary projections indicate the NCC requested for GA staff may not be needed.

The Children's Services Division (CSD) received 9,111 reports of abuse, which resulted in 2,974 investigations between July and August 2020. As of September 2020, the CSD has served 4,933 children in open cases. The average caseload size for investigative and continuing services is 11 and 27, respectively, higher than our targeted goal. The department will continue to monitor the implementation process of both the Private Adoption Agency Reimbursement Program (PAARP) and Title IV-B Allocation Due to COVID-19. The Transitional Housing Program (THP) and Housing Navigation Program (HNP) first-round allocation is on track to be spent this fiscal year and the second-round will be spent next year.

In the fourth quarter, Adult Protective Services (APS) received a total of 3,638 reports of abuse, which is a 7 percent decrease compared to the same quarter last fiscal year. APS investigated a total of 3,064 reports of abuse, which is a 9 percent decrease from the same quarter last fiscal year. The number of active clients with an open case totaled 6,253, which is a 19 percent decrease compare to the same quarter last fiscal year. Social worker caseloads, above national standards, are a challenge for the department that is actively recruiting to fill all positions by the end of November 2020.

During this quarter, In-Home Supportive Services (IHSS) received 3,003 new applications and managed 39,215 continuing cases, which is an increase of 7 percent from 36,612 compared to the same period in FY 19/20. There are currently no vacant funded casework positions in IHSS, however the department is actively recruiting and hiring to ensure adequate staffing levels are retained considering projected attrition and vacancies due to staff who have been temporarily re-assigned.

IHSS is currently supporting 32,665 individual providers. Starting in FY 19/20, and effective thru FY 20/21, the United Domestic Workers Union (UDW) agreement will experience cost increases to both direct individual wages and County contribution for provider health care benefits. The county share of costs related to the increased wages and health benefits contribution will be added to the county's Maintenance of Effort (MOE) on a permanent basis.

Current Status

During the current fiscal year, the California Department of Social Services (CDSS) will bill the county the actual costs related to the wage and health benefit increases which is based on a full year of actual IHSS paid hours. As a result, the department is anticipating \$4.4 million of supplemental billing related to the FY 19/20 wages and health benefit increases that were effective January 2020. In addition, the \$0.25 additional wage supplement increase effective January 2021 will be billed once a full fiscal year of actual hours become available which will be in FY 21/22. The NCC contribution for the increased wages and health benefits was reflected in the department NCC targets for FY 19/20 and FY 20/21.

Categorical aid programs; CalWORKs Assistance, Foster Care Assistance, and Adoptions Assistance program expenditures are projected to be within the adopted budget. No budget adjustment is requested at this time.

The County Funded Foster Care expenditures are projected to be over the adopted budget by approximately \$520,000.

In-Home Supportive Service- Public Authority (IHSS-PA)

On April 14, 2020, California Department of Social Services (CDSS) informed counties of guidance made by the California Department of Public Health (CDPH) to the Public Authority (PA) office that Essential Protective Gear (EPG), previously referred to Personal Protective Equipment (PPE) should be made available for healthcare workers or social services workers who are performing direct patient care. Therefore, in accordance with CDPH guidance, EPG is being made available to In-Home Supportive Services (IHSS) Public Authority (PA) offices in each county for distribution to IHSS providers who meet the CDPH criteria for persons taking care of individuals with suspect or confirmed COVID-19 in non-healthcare settings. Each set of EPG will include a face mask and a pair of gloves. The total number of EPG sets that will be distributed to PA offices statewide is 250,000.

On September 18, 2020, CDSS provided statewide funding of \$3.8 million to support the EPG efforts. The Riverside County Public Authority received a state allocation of \$175,000 for distribution of the EPG to IHSS recipients and caregivers. During the first quarter of FY 20/21, the PA issued 2,000 EPG packets to recipients and caregivers who requested to receive the gear provided by the state. PA is coordinating with the department to distribute 300,000 masks to IHSS recipients during the second quarter of FY 20/21. In addition, the PA is partnering with United Domestic Workers of America (UDWA) to distribute 500,000 masks provided by Riverside County, and a limited supply of gowns and hand sanitizer to 10,000 IHSS caregivers. The department will continue to monitor the EPG implementation process and will provide an update and any necessary budget adjustment in the mid-year budget report. No budget adjustment is requested at this time.

First Five/Riverside County Children and Families Commission

This budget adjustment is to reflect the ISF costs in the appropriate department ID to allow for billing.

Recommendation 18: *That the Board of Supervisors approve and direct the Auditor-Controller to make budget adjustment adjusting appropriations for First Five by \$20.*

Office on Aging

Riverside County Office on Aging (RCOoA) relies heavily on funding through the Older Americans Act (OAA), to provide these core services to the county's most frail and vulnerable older adults and persons with disabilities (age 18+). In recent years, OAA programs have required increased resources to maintain current programs due to the great increase in the aging population. Riverside County is projected to experience a 248 percent increase in the population over age 60, and 711 percent increase in adults over age 85 between 2010 and 2060.

In response to the COVID-19 crisis, Congress approved the Families First Coronavirus Response Act (H.R. 6201), which allocated \$250 million in Nutrition funds at the national level for both Congregate and Home-Delivered Meals for the Senior Nutrition Program. In addition, Area Agencies on Aging (AAA's) were allocated the Coronavirus Aid, Relief, and Economic Security (CARES) Act funding that was distributed for all other Older Americans Act titles and supportive services that are listed above.

The department requests a budget adjustment to reflect an increase in available emergency funding (Families First Coronavirus Response Act (H.R. 6201) and COVID CARES) and to account for the reconciliation of funding sources.

Recommendation 19: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustment adjusting appropriations and estimated revenues for Riverside County Office on Aging by \$5,003,512.*

INTERNAL SERVICES

Facilities Management

During the budget process, the budget for the Custodial Services division was reduced by \$340,080 in salaries and benefits, and by \$369,391 in estimated revenues, which results in a \$29,311 imbalance. Facilities Management (FM) requests that the Board of Supervisors approve a budget adjustment increasing estimated revenues to correct this shortfall.

Recommendation 20: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustment increasing estimated revenues for the FM Custodial Services division by \$29,311.*

Community Park and Centers division requests a budget adjustment to revise projected revenues and operational expenditures due to a projected increase in property tax revenue and a reduction in operational costs.

Recommendation 21: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustment adjusting appropriations and estimated revenues for the FM Community Park and Centers division by \$255,221.*

Current Status

Purchasing and Fleet Services

As a result of departments reducing their requested vehicle purchases for FY 20/21, Fleet Services is requesting to reduce the vehicle purchase expenditures to reflect the reduction of 68 vehicles. For vehicles that were to be leased, the reduction in lease cost reflects the first-year lease costs that would have been paid in FY 20/21. For vehicles that were to be purchased with cash, the entire vehicle purchase amount is reflected in the reductions.

Recommendation 22: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustment decreasing appropriations and estimated revenues for Fleet Services by \$613,507.*

Supply Services

During the budget process, the Supply Services division did not submit a budget as it planned to discontinue its operations. Due to the pandemic, it was required to retain its warehouse staff to support COVID-19 ordering and receipt of needed personnel protective equipment (PPE). The department is requesting a budget adjustment to recognize the salary and vehicle expenses and the offsetting reimbursement from CARES funding related to COVID-19 activities.

Recommendation 23: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustment increasing appropriations and estimated revenues for Supply Services by \$109,428.*

Riverside County Information Technology

Riverside County Information Technology (RCIT) and Public Safety Enterprise Communications (PSEC) request a budget adjustment for the transfer of eight positions from RCIT to PSEC. In FY 19/20, RCIT consolidated the Business Administration Services positions to the RCIT budget unit from PSEC in order to streamline the business process. These positions continued to perform services for PSEC and then PSEC reimbursed RCIT. After much consideration, RCIT has determined those positions should remain in the PSEC fund.

Recommendation 24: *That the Board of Supervisors 1) approve and direct the Auditor-Controller to make the budget adjustment adjusting appropriations for Information Technology departments by \$385,102; and 2) approve amending Ordinance No. 440 to delete eight positions for Information Technology and add eight positions for PSEC.*

During the FY 20/21 budget process, RCIT included certain pass-thru costs related to PSEC in order to consolidate all direct billings and pass-thru costs under one budget unit. However, all costs related to the PSEC fund will be moved back to PSEC to ensure costs are tracked separately. The department requests a budget adjustment to transfer the related pass-thru costs to the PSEC fund.

Recommendation 25: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustment adjusting appropriations and estimated revenues for Information Technology departments by \$460,207.*

PSEC is requesting an adjustment to use \$1.5 million of reserves to make the first lease payment for the Microwave Network Replacement. The first payment is scheduled on January 1, 2021. PSEC has built up reserves over the last two years in anticipation of making the first microwave lease payment. This will be the only year PSEC will be using reserves to make the lease payment.

Recommendation 26: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustment increasing appropriations in Information Technology by \$1,558,039.*

On December 17, 2019 the Board approved a \$1.1 million professional service agreement with Pictometry to provide aerial imagery technology to the County of Riverside. In FY 19/20 \$206,769 was paid and the Geographical Information System (GIS) department anticipates paying the \$869,231 remaining balance by December 2020. The department is requesting a budget adjustment to make the payments in FY 20/21.

Recommendation 27: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustments increasing appropriation and estimated revenues in the Geographical Information Systems department by \$869,231.*

PUBLIC SAFETY

Animal Services

The Department of Animal Services (DAS) is currently experiencing a significant reduction in revenue and the department is in the process of reviewing projections for the balance of the fiscal year to determine if this is an aberration or a trend. There are a number of reasons for the lower revenue, but the impacts of COVID-19 and a shift in policy targeted at keeping animals in homes, as opposed to in shelters, is a leading cause. The department is looking for ways to reduce expenditures while still meeting their mission. DAS is also working with the Executive Office to identify other potential solutions.

The department is requesting a budget adjustment to account for their approval to receive funding for three projects through the CARES Act eligibility process. The first project will help families at risk of losing housing by boarding their animals on a temporary basis. The second project will help families at risk of not being able to care for their pets by providing them with food and limited care for their animals. The last project updates the currently failing camera system at the Riverside/Jurupa Valley facility, which is necessary to protect the animals and the facility during a time when there are less employees physically present on the campus due to coronavirus restrictions.

Recommendation 28: *The Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustment increasing appropriations and estimated revenues for the Animal Control Department by \$560,150.*

District Attorney

The District Attorney's Office (DAO) is committed to working collaboratively to end the

Current Status

fiscal year at a zero deficit. Due to recent court closures, the department's ability to assess and receive fines, forfeitures and penalties may be significantly impacted. The department will reassess the true effects of these events at mid-year. The CARES funding that was allocated by the Board of Supervisors is assisting in addressing the significant backlog caused by the court closures. As part of the DAO commitment, most of the cases are assigned to existing staff versus hiring new prosecutors to deal with the backlog. The DAO continues to remain fiscally prudent in ensuring allocated dollars are spent on critical hiring, service requests and procurement needs. Efforts remain to increase efficiency through self-funded technology upgrades and modernized deployment of the workforce.

The DAO continues to meet regularly with members of the Executive Office to share issues of concern to the public safety and to ensure fiscal transparency. The department remains committed to providing outstanding prosecutorial, investigative and victim services, while continuing to implement feasible cost saving measures.

The department is requesting two budget adjustments. First, to appropriately account for sub-fund operations. These adjustments are a correction to the adopted budget and therefore does not impact the department's net county cost. Second, to update budgeted revenues resulting from final awards from granting agencies which at the time of the budget submission were pending.

Recommendation 29: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustment increasing appropriation and estimated revenue for the District Attorney's Office by \$13,494,185.*

Emergency Management Department

On June 9, 2020, the Board of Supervisors accepted an agreement with Manifest MedEx and Inland Empire Health Information Exchange for implementation of the +EMS Project funded by a 2-year grant from the California Emergency Medical Services Authority (EMSA). The goal of the +EMS Project is to promote care coordination between Paramedics and Receiving Hospitals and enhance clinical decision making for both in treating 9-1-1 emergency patients. The department request a budget adjustment to establish the budget for this project.

Recommendation 30: *That the Board of Supervisors approve and direct the Auditor-Controller to make budget adjustment increasing appropriations and estimated revenue for the Emergency Management Department by \$228,900.*

Probation

The Probation Department is projecting that, overall, expenditures will be within appropriations and NCC targets at year end. Probation continues to be aggressive in its efforts to fill funded vacant positions to ensure compliance with the Board approved vacancy rate of 10 percent. The current Riverside Sheriff's Association Public Safety Unit (PSU) negotiations will have a financial impact in the current fiscal year. However, due to the department's current vacancy rate, no additional funding requests are projected to be needed at this time. The department will continue to monitor the negotiations and notify the Executive Office of any potential financial impacts to the current year budget.

The State's passing of SB823 will halt intake of youth into Division of Juvenile Justice (DJJ) and shift responsibility for the State's DJJ function to the Riverside County Probation Department. The prospective transfer of responsibility will begin July 1, 2021, with full implementation of population shift expected to be reached in FY 24/25. The department continues to research and evaluate the needs of this population in order to provide a detailed plan on how best to serve the realigned youth.

On September 18, 2020, Governor Newsom signed AB1869, which repealed the authority to collect fees on administering probation and mandatory supervision, including home detention programs and continuous electronic monitoring programs. Effective immediately, unpaid balances of these fees are unenforceable and uncollectible and would require any portion of a judgment imposing those costs to be vacated. State mandates require reimbursement to local agencies; thus, the bill's language details some financial relief. The State is continuing to work on the backfill dollar amount to each county and it is not known at this time if there will be any adverse impact to the current year Probation budget.

On September 30, 2020, Gov. Newsom also signed SB1290, which requires ending collection and discharging all juvenile fees retroactive to January 1, 2018, charged to youth in the juvenile system and some fees charged to youth 21 and under in the adult (criminal) system.

The Board of Supervisors on April 21, 2020, authorized the elimination and write-off of receivables associated with the care of detained youth, juvenile services and delinquency proceedings which successfully ended collection and discharged all juvenile fees identified in SB1290.

The department will continue to monitor the budget and report any concerns to the Executive Office.

Law Office of the Public Defender

The Law Office of the Public Defender reports that it is currently on track to meet budget targets for FY 20/21. The department continues the practice of hiring at entry level when vacancies become available to help stabilize the budget. The department strives to continue to provide efficient and effective services to its clients through experience and technology while exploring all revenue options.

Sheriff

The Sheriff's Department is projecting a balanced budget once the necessary reimbursements are made for the COVID-19 pandemic and barring any further unforeseen emergencies or decrease in anticipated revenues. The department continues to focus on maintaining staffing levels across the department. The department's hiring is targeted to restoring critical staff losses due to attrition, continued hiring for the John J. Benoit Detention Center (JJBDC), and restoring unincorporated patrol staffing to safe levels throughout the county. Overtime will continue to trend higher until staffing normalizes and newly hired uniformed personnel complete their training.

Current Status

The department continues to find areas within the organization where operational efficiencies can be achieved. The organizational changes provide improved service levels to the public and significant costs savings for the department. To optimize patrol staffing and create greater efficiencies with existing critical staffing levels, the department plans to implement a 3/12 & 4/12 work schedule for deputies who perform a patrol function in contract cities and unincorporated county areas. The department have made staffing changes at the courts by exchanging regular deputies for court deputies. This change will free up regular deputies for patrol functions, reduce the court security cost, and ultimately provide a cost savings to the courts and the county. The department has completed the transfer of custodial responsibility from Facilities Management with the transfer of 19 full time custodial staff and now has a fully operational custodial division. The department continues to analyze positions to free up sworn staff with classified civilians in all areas of the department.

To reduce the negative impact on residents and the costs associated with costly litigation, the department has implemented several policies and procedures to decrease the department's civil liabilities. In the coming months, the department has plans for a restructure of personnel to better proactively investigate and address use of force and other high liability incidents. The department continues to actively work with the Executive Office, Human Resources' Risk Management and County Counsel to streamline internal processes to further reduce costs.

The Sheriff's Department is requesting grant related budget adjustments for increases in salaries and benefits, the purchase of a Handheld Pendar Chemical Detector and budget transfers due to the department's internal reorganization. The department is also requesting budget adjustments to purchase vehicles using Booking Recovery sub-funds. These adjustments will not impact the department's net county cost.

Recommendation 31: *That the Board of Supervisors approve and direct the Auditor-Controller to make budget adjustment adjusting appropriations and estimated revenues for the Sheriff's Department by \$2,328,283.*

PUBLIC WORKS, LAND USE AND ENVIRONMENT

Aviation

In March 2020, Aviation was merged under TLMA. The Office of the Auditor-Controller recommended the Aviation Operations fund to be changed from a special revenue fund to an enterprise fund. In order to transfer cash and fund balance, a budget adjustment of \$1.5 million is necessary in order to transfer the existing fund balance between the two funds. There is no general fund impact.

Recommendation 32: *That the Board approve and direct the Auditor-Controller to make the budget adjustments increasing appropriations and estimated revenue for County Aviation – Operations by \$1,525,114.*

During the budget process, Aviation was merged under TLMA and its fund number changed from 22100 to 40710. A budget adjustment is necessary in order to correct the fund number.

Recommendation 33: *That the Board approve and direct the Auditor-Controller to make the budget adjustments adjusting appropriations for County Aviation – Operations by \$306.*

Code Enforcement

The department is requesting a budget adjustment to correct an oversight in the adopted budget. The salary and benefit accounts were inadvertently reduced by \$146,542. After further review, expenditures do not need to be increased, but a reduction to the special assessment revenue account is needed to balance the budget.

Recommendation 34: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustment decreasing estimated revenue for Code Enforcement by \$146,542.*

Environmental Health

During the FY 19/20 year-end cleanup adjustments, restricted balances for Environmental Health Hazmat were moved to unassigned fund balance. Funds need to be restricted as the department is expecting to use the funds for a specific project.

Recommendation 35: *That the Board approve and direct the Auditor-Controller to make the budget adjustment increasing restricted fund balance and decreasing unassigned fund balance for Environmental Health by \$1,162,554.*

Regional Parks and Open Space District

The District's Multiple Species Habitat Conservation Plan (MSHCP) received funding approval from Riverside Conservation Authority (RCA) to restore and repair twelve additional RCA properties using the MSHCP endowment fund. Therefore, a budget increase is needed to adequately cover all anticipated expenditures.

Recommendation 36: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustment increasing appropriations and estimated revenue for the Regional Park and Open Space District by \$113,074.*

On September 17, 2019, the Board approved the use of DIF funds for the Sewer Lift Station project at Lake Skinner Regional Park. Due to the pandemic, this project was postponed in FY 19/20. We are anticipating resuming this project for FY 20/21. A budget increase is needed to cover anticipated expenditures.

Recommendation 37: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustment increasing appropriations for the Regional Park and Open Space District by \$145,835.*

The Santa Ana River Trail (SART) project was eligible under the Western Riverside County Regional Multipurpose Trails DIF funding of up to \$17,293,408. The District is currently requesting \$120,000 for SART Trail Head at Hidden Valley. A budget increase is needed to cover anticipated expenditures.

Current Status

Recommendation 38: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustment increasing appropriations and estimated revenue for the Regional Park and Open Space District by \$1,291,898.*

On December 11, 2018, the Board approved the use of the McCoy Solar fees for further capital improvements Mayflower Regional Park. Due to the pandemic, the design and engineering services were halted in FY 19/20. The District is requesting \$531,368 for the Mayflower Sewer Improvement project.

Recommendation 39: *That the Board of Supervisors approve and direct the Auditor-Controller to make budget adjustment increasing appropriations and estimated revenue for the Regional Park and Open Space District, decreasing unassigned fund balance, increasing committed fund balance and decreasing appropriations for the EO Solar Program by \$531,368.*

HEALTH & HOSPITAL SERVICES

Riverside University Health System

Riverside University Health System (RUHS) continues its integrated healthcare system strategic efforts centered on improving access and quality by providing the right care, at the right time, in the right setting and driving for the lowest cost. These efforts have positioned RUHS well to respond to the current COVID-19 pandemic whether that is in traditional department settings, community testing sites, or utilizing technology to expand and safely reach patients in need of healthcare. The RUHS teams from Public Health, Behavioral Health, Community Health Centers, and the Medical Center are working collaboratively with the Executive Office, county departments and community partners to best coordinate the public safety response. RUHS continues to engage in scenario planning and surge preparation in anticipation of differing levels of community need. As of this report RUHS anticipates meeting the reduced budget targets committed to during the County budget hearings. These reduced budget targets while achievable this fiscal year will likely not be sustainable into the following fiscal year. RUHS is concerned about Federal funding that expires December 31 with community service needs continuing beyond this date.

As of the first quarter report, the Riverside University Health System – Medical Center, the RUHS - Federally Qualified Health Center, RUHS - Behavioral Health Detention and Correctional Health, RUHS- Behavioral Health are projecting to end the year within budget targets. RUHS is continuing to monitor the impacts the COVID-19 emergency will have on projected financial results and will keep the Executive Office updated on this key issue.

Public Health

Public Health (PH) and California Children's Services (CCS) staff have continued to oversee efforts to combat the COVID-19 pandemic. COVID-19 expenses have been projected through June 30, 2021.

Public Health is requesting a budget transfer of \$15.4 million from CARES Act funding to

cover additional COVID-19 costs anticipated through December 30, 2020. The additional COVID expenses are for temporary staffing (TAP), overtime, COVID-19 testing operations, computer equipment, mileage reimbursement and capital equipment (a copier and box truck) that will assist in combating the COVID-19 pandemic.

\$7.5 million of the \$15.4 million budget adjustment will also cover reclassification of budgeted program revenue to CARES Act revenue. Many permanent program staff have been reassigned to work on the Coronavirus response. The majority of programs will not cover reassigned staff salaries, benefits, and indirect costs, resulting in reduced program revenue. Costs for reassigned program staff are COVID-19 related and have been covered by CARES Act funds. Therefore, a budget adjustment is requested to reduce budgeted program revenue and replace with CARES Act revenue.

Public Health has also projected COVID-19 response costs from January - June 2021 for continued reassignment of permanent staff, use of temporary staff, COVID-19 testing operations, mileage reimbursement, supplies and services. These cost estimates total \$22.4 million. The department is requesting financial assistance from the county to cover these anticipated Coronavirus expenses. The Executive Office will continue to work with the department to monitor COVID-19 related expenses, and if necessary, will recommend a budget adjustment in the mid-year report.

Public Health is also requesting a budget adjustment for the following program funding changes: COVID-19 response Federal funding of \$197,284 received by the Women, Infant, Children (WIC) Program, and Health Equity (Arnold Perkins Award for Outstanding Health Equity Practice) award funds of \$50,000 received in FY 19/20 but use delayed due to the COVID-19 response.

Public Health received state funding of \$16.7 million (covering multiple fiscal years) to support COVID-19 response efforts, including modernization of epidemiologic surveillance activities. The department is requesting the addition of four positions for Epidemiology. The four positions will participate in coordinating data collection, implementing mitigation and prevention activities, organization, analysis, and reporting of COVID-19 data related cases, contacts, and laboratory testing. Public Health is requesting a budget adjustment of \$364,301 for the four positions and an amendment to Ordinance 440.

Recommendation 40: *That the Board of Supervisors 1) approve and direct the Auditor-Controller to make the budget adjustment adjusting appropriations and estimated revenues for Public Health by \$9,863,756; and 2) approve amending Ordinance No. 440 to add four positions.*

California Children's Services (CCS) is requesting a budget transfer of \$6 million from CARES Act funding to cover additional COVID-19 costs anticipated through December 30, 2020. The additional COVID-19 expenses are for staff overtime and mileage reimbursement that will assist in combating the COVID-19 pandemic. The \$6 million budget adjustment will also cover reclassification of budgeted program revenue to CARES Act revenue.

Current Status

Many permanent program staff have been reassigned to work on the Coronavirus response. The majority of programs will not cover reassigned staff salaries, benefits, and indirect costs, resulting in reduced program revenue. Costs for reassigned program staff are COVID-19 related and have been covered by CARES Act funds. Therefore, a budget adjustment is requested to reduce budgeted program revenue and replace with CARES Act revenue.

COVID-19 response costs have also been projected from January - June 2021 for continued reassignment of permanent staff, staff overtime, and mileage reimbursement. These cost estimates total \$ 4.9 million. CCS is requesting financial assistance from the County to cover these anticipated Coronavirus expenses. The Executive Office will continue to work with the department to monitor COVID-19 related expenses, and if necessary, will recommend a budget adjustment in the mid-year report.

Recommendation 41: *That the Board of Supervisors approve and direct the Auditor Controller to make the budget adjusting estimated revenue for California Children's Services by \$5,598,155.*

Attachment A Summary of Recommendations

Recommendation 1: *That the Board of Supervisors 1) approve and direct the Auditor-Controller to make the budget adjustment increasing appropriations and estimated revenues in the Business and Community Agency Administration by \$812,024, as shown.*

<u>Fund</u>	<u>Department</u>	<u>Account</u>	<u>Amount</u>
21100	1900100000 - BCS-Agency Administration	510040 - Regular Salaries	582,574
21100	1900100000 - BCS-Agency Administration	518100 - Budgeted Benefits	229,450
21100	1900100000 - BCS-Agency Administration	778330 - Interfund -Salary Reimbursement	812,024

Recommendation 2: *That the Board of Supervisors 1) approve and direct the Auditor-Controller to make the budget adjustment increasing appropriations and estimated revenues in the Business Services by \$5,175,000, as shown.*

<u>Fund</u>	<u>Department</u>	<u>Account</u>	<u>Amount</u>
21100	1901000000 - BCS- Business Services	527980 - Contracts	5,175,000
21100	1901000000 - BCS- Business Services	790600 - Contribution Fr Other County Funds	5,175,000

Recommendation 3: *That the Board of Supervisors 1) approve and direct the Auditor-Controller to make the budget adjustment increasing appropriations by \$3,574,406, as shown.*

<u>Fund</u>	<u>Department</u>	<u>Account</u>	<u>Amount</u>
21200	1900700000 - BCS-County Free Library	510040 - Regular Salaries	74,546
21200	1900700000 - BCS-County Free Library	529540 - Utilities	563,394
21200	1900700000 - BCS-County Free Library	530280 - Private Care Provider	2,936,466
21200	1900700000 - BCS-County Free Library	321101 - Restricted Program Money	(3,574,406)

Recommendation 5: *That the Board of Supervisors approve and direct the Auditor-Controller to make the budget adjustments adjusting appropriations and estimated revenue for the Fair and National Date by \$1,836,098, and decreasing appropriations for Appropriation for Contingency and increasing appropriations for Contributions to Other Funds by \$1,605,000, as shown.*

<u>Fund</u>	<u>Department</u>	<u>Account</u>	<u>Amount</u>
10000	1101000000 - Contributions to Other Funds	551100 - Contribution To Other County Funds	1,605,000
10000	1101000000 - Contributions to Other Funds	370100 - Unassigned Fund Balance	(1,605,000)
10000	1109000000 - EO-Approp For Contingency-General	581000 - Approp For Contingencies	(1,605,000)
10000	1109000000 - EO-Approp For Contingency-General	370100 - Unassigned Fund Balance	1,605,000
22200	1920100000 - Fair And National Date Fest	510040 - Regular Salaries	(159,763)
22200	1920100000 - Fair And National Date Fest	510200 - Payoff Permanent-Seasonal	16,881
22200	1920100000 - Fair And National Date Fest	510320 - Temporary Salaries	(20,000)
22200	1920100000 - Fair And National Date Fest	510330 - TAP Salaries	(119,000)
22200	1920100000 - Fair And National Date Fest	510420 - Overtime	(24,000)
22200	1920100000 - Fair And National Date Fest	510520 - Bilingual Pay	(2,000)
22200	1920100000 - Fair And National Date Fest	510620 - Shift Differential	(390)

FISCAL YEAR 19/20 YEAR-END GENERAL FUND DISCRETIONARY REVENUE (In Millions)

Revenue Description	Adopted Budget	3rd Quarter Estimate	Yearend Actuals*	Difference 3rd Qtr. Estimate vs YE Actuals	(%)	Explanations of Fluctuations for \$1 Million or Greater
Property Taxes	\$ 390.6	\$ 393.1	\$ 392.4	\$ (0.6)	0%	
Motor Vehicle In Lieu	271.9	273.4	275.0	1.6	1%	Additional revenue is related to the increased sale of vehicles during the year.
RDA Residual Assets	9.3	10.9	12.9	2.0	18%	Timing issues with posting revenue in the new tax system resulted in a higher amount this fiscal year.
Tax Loss Reserves Overflow	16.0	16.0	18.4	2.4	15%	There was an increase in the collection of penalties and interest for the Teeter program.
Fines and Penalties	19.1	12.8	13.8	1.0	8%	AB233 Realignment trial court revenue received was more than projected due to the courts opening sooner than originally assumed resulting in slightly higher case filings.
Sales & Use Taxes	31.3	28.4	30.7	2.3	8%	HDL's projections included adjustments that were uncertain if the California Department of Tax and Fee Administration would process in FY 19/20 or in FY 20/21. Based on the revenue received, adjustments are expected to be processed in FY 20/21.
Tobacco Tax	10.0	10.0	10.0	-	0%	
Documentary Transfer Tax	16.0	15.1	16.7	1.6	11%	The 3rd quarter estimate from the Clerk Recorder assumed a larger slow down in document recording than what materialized.
Franchise Fees	7.0	7.0	6.8	(0.2)	-3%	
Mitigation Fees	0.1	0.1	-	(0.1)	-100%	
Interest Earnings	18.0	21.0	21.8	0.8	4%	
Misc. Federal and State	4.4	4.5	5.6	1.0	23%	Additional revenue was received from the State for mandate reimbursements.
Federal In-Lieu	3.4	3.4	3.6	0.2	7%	
Rebates & Refunds	5.2	6.9	7.3	0.4	6%	
Health Realignment	8.9	8.9	8.9	-	0%	
Other (Prior Year & Miscellaneous)	17.8	22.9	25.7	2.8	12%	City Sharing - Neutrality revenue received was \$2.1 million more than projected.
Operating Transfers In	8.5	12.5	9.8	(2.7)	-22%	Projections included amounts for committed fund balances that were going to be transferred to the general fund. Transfers were done via fund balance and not revenue-operating transfer in.
Subtotal	\$ 837.5	\$ 847.0	\$ 859.6	\$ 12.6	1%	
One-time Revenue	20.0			-	0%	One time revenues are included in operating transfers for 3rd quarter and year-end.
Total	\$ 857.5	\$ 847.0	\$ 859.6	\$ 12.6	1%	
Prop 172 Public Safety Sales Tax	190.3	174.2	186.8	12.6	7%	
Total	\$ 1,047.8	\$ 1,021.1	\$ 1,046.4	\$ 25.3	2%

FISCAL YEAR 19/20 GENERAL FUND NET COUNTY COST (NCC) YEAREND REPORT

Department Name	Portfolio	Final Budget*	Yearend Actuals*	Difference Under/ (Over) Final Budget	Encumbrances	Department Total NCC Savings(Deficit)	CARES Act Reimbursement For COVID-19 Expenses	Explanations of Fluctuations for "Department Total NCC Savings/Deficit" of \$200K or Greater
								(A) No explanation is required as variance is less than the \$200K threshold.
Board Of Supervisors	Finance and Government Services	9,380,485	8,640,420	740,065	-	740,065	5,544	Excess NCC of approximately \$740K is due to various factors such as salary savings from IT personnel consolidation, reduction in building maintenance charges, and reduction in other expenses such as travel as result of COVID-19 restrictions.
Assessment Appeals Board	Finance and Government Services	506,440	425,475	80,965	-	80,965	3,103	(A)
Executive Office Operations	Finance and Government Services	6,377,536	(1,098,963)	7,476,499	-	7,476,499	419,332	The savings of \$7 million is mostly due to an allocation for the first year RUHS medical office building lease payment that did not occur as a result of a modified move-in schedule, as well as \$487K in Census roll-over revenue, \$843K unanticipated solar revenue, and \$643K reduction in legal services expenses.
Contribution to Trial Court Funding	Finance and Government Services	27,525,525	25,127,269	2,398,256	-	2,398,256	-	The excess is due to the reduction of the State Maintenance Of Effort amount by \$2.3 million for operations of the court.
Contribution to Other Funds	Contribution To Other Funds	89,903,835	82,709,203	7,194,632	-	7,194,632	-	The excess NCC of \$7.1 million is mainly due to three factors. 1) Amounts contributed for general county debt services were \$2.5 million less than budgeted. 2) Amounts contributed to RUHS Medical Center were \$2.9 million less than budgeted. 3) Loan repayment of \$1 million to the Waste Management for the Indio administration building relocation was paid from a non general fund source.
Contributions to Health and Mental Health	Finance and Government Services	8,878,767	8,878,444	323	-	323	-	(A)
Interest On TRANS & Teeter	Debt Service	6,532,189	4,972,771	1,559,418	-	1,559,418	-	The issuance of the Tax and Revenue Anticipation Notes (TRANS) resulted in a higher premium than budgeted.
Confidential Court Orders	Finance and Government Services	517,224	497,868	19,356	-	19,356	-	(A)
EO Subfund Operations	Finance and Government Services	39,934	39,934	-	-	-	-	(A)

FISCAL YEAR 19/20 GENERAL FUND NET COUNTY COST (NCC) YEAREND REPORT

Department Name	Portfolio	Final Budget*	Yearend Actuals*	Difference Under/ (Over) Final Budget	Encumbrances	Department Total NCC Savings(Deficit)	CARES Act Reimbursement For COVID-19 Expenses	Explanations of Fluctuations for "Department Total NCC Savings/Deficit" of \$200K or Greater
Court Facilities	Finance and Government Services	6,196,718	6,164,731	31,987	-	31,987	-	(A)
Court Transcripts	Finance and Government Services	1,100,000	886,829	213,171	-	213,171	-	(A)
Grand Jury Admin	Finance and Government Services	400,000	279,080	120,920	-	120,920	-	(A)
NPDES	Finance and Government Services	410,000	355,733	54,267	-	54,267	-	(A)
Appropriation for Contingency	Contingency	13,016,187	-	13,016,187	-	13,016,187	-	Contingency budgets are established to cover urgent, unforeseeable events such as revenue shortfall, unanticipated expenditures, uncorrectable budget overrun and mission-critical issues at the Board of Supervisor's discretion. Due to the current COVID-19 pandemic, the Executive Office advanced a total of \$25 million of contingency funds to the Emergency Management Department to cover COVID-19 related expenditures with the agreement that once federal/state funding was received, funding will be returned to the general fund. From the \$25 million advanced, \$12 million was returned to Contingency by the end of the fiscal year. The remaining balance will be paid in FY 20/21.
Indigent Defense	Finance and Government Services	9,857,279	9,057,652	799,627	-	799,627	-	The excess NCC is due to a reduction in indigent defense related expenses as result of court closures from COVID-19. There was also a delay in finalizing a few death penalty related contracts causing the 1st installment payments to be made in FY20/21.
Human Resources - Administration	Human Resources	614,574	(2,522,178)	3,136,752	281,068	2,855,684	478,717	The excess NCC is due to unfilled positions as well as a significant number of layoffs and probationary releases in order for the department to realign their budget.

FISCAL YEAR 19/20 GENERAL FUND NET COUNTY COST (NCC) YEAREND REPORT

Department Name	Portfolio	Final Budget*	Yearend Actuals*	Difference Under/ (Over) Final Budget	Encumbrances	Department Total NCC Savings(Deficit)	CARES Act Reimbursement For COVID-19 Expenses	Explanations of Fluctuations for "Department Total NCC Savings/Deficit" of \$200K or Greater
Sheriff Court Services	Public Safety	7,711,857	10,754,911	(3,043,054)	341,538	(3,384,592)	49,977	This budget is reflecting a deficit in trial court funding revenue due to state budget reduction.
Sheriff CAC Security	Public Safety	915,291	889,099	26,192	-	26,192	-	(A)
Sheriff Ben Clark Training Center	Public Safety	15,948,785	15,673,003	275,782	239,491	36,291	30,512	(A)
Sheriff Coroner	Public Safety	7,383,798	6,889,178	494,620	65,054	429,566	256,436	
Sheriff Public Administrator	Public Safety	1,581,665	1,475,495	106,170	-	106,170	-	(A)
Probation - Juvenile Hall	Public Safety	22,841,227	15,433,708	7,407,519	2,198,541	5,208,978	-	Due to the closure of the Riverside Juvenile Hall, the department realized a general fund cost reduction of \$1.9 million. Additionally personnel vacancy resulted in salary and benefit savings of \$3.4 million.
Probation	Public Safety	14,916,096	17,781,183	(2,865,087)	209,442	(3,074,529)	521,346	The deficit was a result of Local Revenue Fund 2011 (AB109) State funding reducing the indirect contribution to the general fund. Based on the CCPEC approved budget Probation received a 14% or \$2.5 million reduction in funding for direct costs.
Probation - Court Placement	Public Safety	1,345,679	1,031,623	314,056	-	314,056	-	(A) The excess NCC is a result of lower than anticipated cost related to youth housed at the Division of Juvenile Justice. These cost are based on the number of youth housed at DJJ, and youth in placement facilities. Savings are realized when there is a reduction in the number of youth housed at the facility and/or the expenses associated with placements.
Probation - Administration & Support	Public Safety	7,677,987	8,793,184	(1,115,197)	7,842	(1,123,039)	-	Local Revenue Fund 2011 (AB109) State funding reduction in the indirect contribution to the general fund. Finally due to the closer of RJH sworn and non-sworn positions were filled within Administration resulting in an increased general fund cost.
